OU_1_&_2_TAG_concerns for EPA letter.docx letter to EPA reviewed by Terry.doc

Libby,

TAG had written a letter to Ted a few months back and we had referred to questions about OU1 and OU2. The questions were not submitted with the letter so I've attached them to this email now that they have been approved by the TAG board.

I've also attached the original letter that we sent to Ted in case you were not aware of it in the transition to your current position.

Please feel free to respond to the questions via email and let us know if there is anything that you need clarification on.

Thank you,
Tracy McNew
